WHIMS

[Washing Hands, Immunity boost, Masking, and Social distancing]

Properly wearing a mask

Why is it so hard a task?

Get on with it my friend

Put on the mask my friend

This corona virus is novel

It is fond of people who travel

Wash hands with soap and water

It will kill the corona matter!

You want to see corona stopped?

Stay at six feet distance cropped

Take steps to boost your immunity

Way to protect your community!

Tune: "Dil Ke Jharoke Mein"
