Adios 2020 and Welcome 2021

The virus-plagued year
Is finally gone my dear
It is time to rejoice
Optimism is our choice!

Effective vaccines to make
Five years it will take
We beat the odds, so rejoice
Science is our choice!

If earth’s gravity is gone
We all float in space, oh man!
We are in this together, like it or not
Should cooperation be our mantra, or not?

Ahh vaccination is here
Life back to normal is near
It is time to rejoice
Resilience is our choice!

Let’s not drop the ball
As we beat Corona with gall
It is time to rejoice
Vigilance is our choice!

May the New Year make us happy
Healthy, united and scrappy!
May we enjoy plentiful provisions
As we heal our divisions!
